

Collega le figure delle due vignette seguenti e poi racconta cosa succede procedendo anche al contrario (es.: il sole scioglie il pupazzo di neve; al contrario: il pupazzo di neve si è sciolto perchè è uscito il sole)

CAUSA - EFFETTO

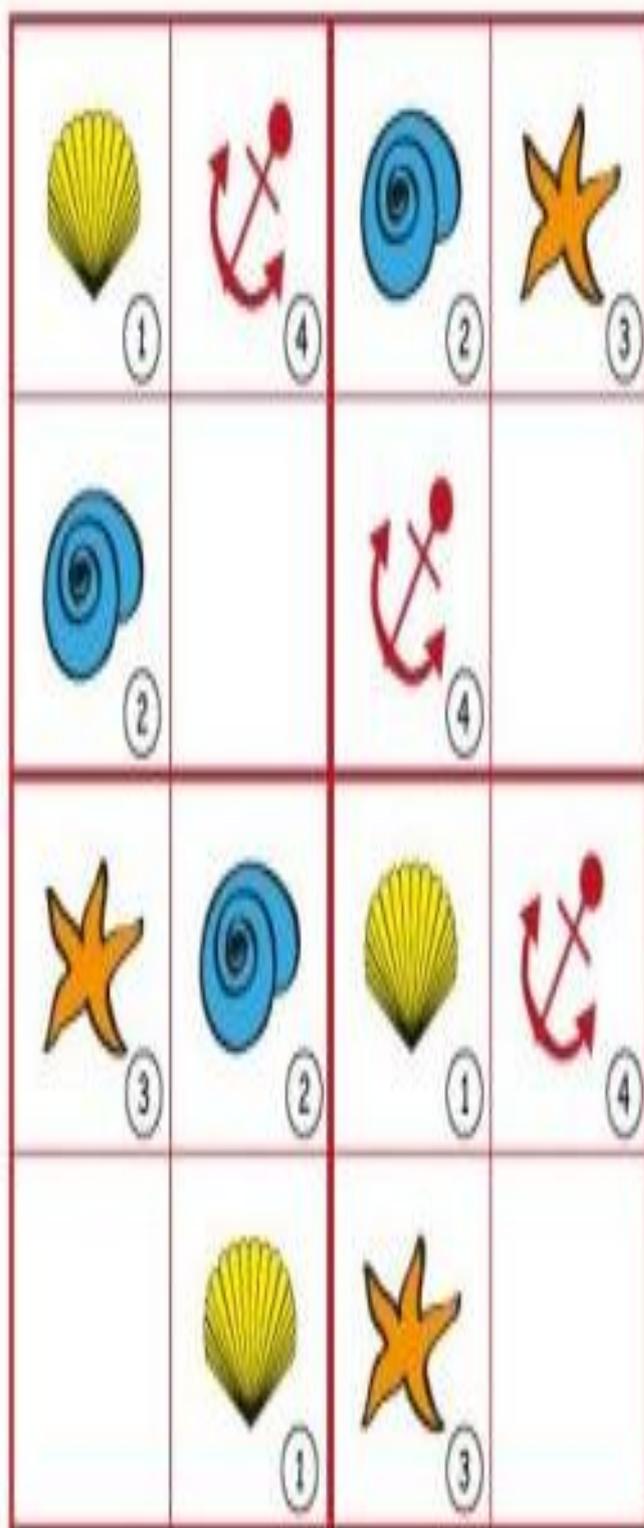

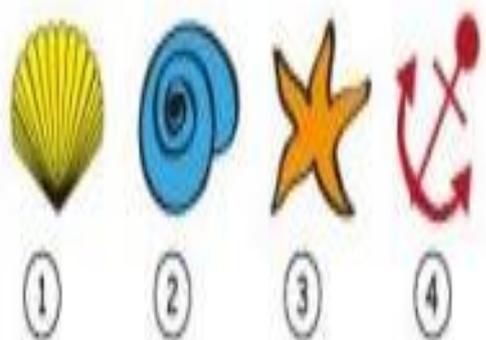

Segui l'esempio e continua la sequenza

The image shows a logic puzzle on a green grid. At the top, a sequence of five icons is shown: a yellow scallop, a blue nautilus, an orange starfish, a yellow scallop, and a blue nautilus. Below this, a large grid is formed by green borders. In the top-left corner of the grid, there is a red anchor icon. In the top-right corner, there is a red anchor icon next to a pink starfish. In the center of the grid, there is a white box containing the text "Scopri cosa apparirà qui" (Discover what will appear here) in orange. To the left of the text is a red anchor icon with a curved arrow pointing clockwise, and to the right is a red anchor icon with a curved arrow pointing counter-clockwise. Below the text is a yellow arrow pointing downwards. In the bottom-right corner of the grid, there is a pink starfish and a small black and white cartoon character.
